The approval of the shareholders is being sought by way of an Ordinary resolution for the revision in the annual remuneration of Mr. Gupta with effect from 1st April 2022 as per details given herein above.

Except Mr. Gupta, none of the Directors and Key Managerial Personnel of the Company and their relatives, are concerned or interested, financially or otherwise, in the resolution set out at Item No. 9 of the accompanying Notice.

The Board recommends the Ordinary resolution set out at Item No. 9 of the Notice for approval of the shareholders.

Item No. 10: Revision in limit of material related party transactions for FY 2022-23

Section 188 of the Companies Act, 2013 ("the Act") read with the Companies (Meetings of Board and its Powers) Rules, 2014 states that no company shall enter into transactions with a Related Party except with the consent of the Board and members of the Company, where such transactions are either not (a) in Ordinary Course of Business or (b) on arm's length basis. The proposed transactions with the related parties as per resolution No. 10 are at arm's length and in the ordinary course of business of the Company. Further, pursuant to Regulation 23 of SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015 ("Listing Regulations"), all related party transactions shall require prior approval of the Audit Committee and all material transactions with related parties require approval of the members of the Company through ordinary resolution. Material Related party transaction means a transaction with a related party, the value of which either taken individually or taken together with previous transactions during a financial year, exceeds Rupees One Thousand Crore or Ten per cent of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity, whichever is lower.

The shareholders of the Company through Postal Ballot dated 25th March 2022, accorded its approval

to enter into material related party transactions, from to time, during FY 2022-23. The Board of Directors is of the opinion that limit approved by the shareholders through above said postal ballot is likely to exceed during the financial year 2022-23 in respect of transactions with Wilmar Sugar India Private Limited (WSIPL). The incremental transactions are on the same terms and conditions which were approved by the shareholders as aforesaid, which are in the ordinary course of business and arm's length basis.

In respect of purchase of RoDTEP (Refund of Duties and Taxes on Exported Products) scrips from WSIPL, the management is of the opinion that the transaction will be in the ordinary course of business and also at arm's length basis. RoDTEP is a flagship export promotion scheme of the Commerce Ministry of India. The scheme aims to refund to the exporters the embedded central, state and local duties and taxes paid on inputs that were so far not refunded or rebated. Since the scrips are lying unutilized with WSIPL, WSIPL has offered to sell these scrips to the Company. The management is of the view that the Company will be benefitted from the purchase of these scrips as it will help it improve its cashflow to the extent of customs duties saved by the Company.

The management services fees of Rs. 100 per MT represent the sharing of costs incurred by the Company in providing these services plus markup. Since the services are unique in nature to the industry in which the Company operates, and the charges represent sharing of costs incurred by the Company plus markup, the transaction is in the best interest of the Company.

There is no change in the terms and conditions of the other related party transactions.

The Management provided relevant details to the Audit Committee at its meeting held on 8th August 2022, as required under the Act/ SEBI Listing Regulations, of the proposed RPTs including material terms, a copy of which are reproduced below. The Audit Committee and the Board of Directors, after reviewing all necessary information, granted approval for increase in limit for entering into related party transaction with WSIPL. The Audit Committee and the Board of Directors noted that these transactions will be on an arm's length basis and except for provision of management services, will be in the ordinary course of business of the Company.
